

Yugo Technologies Privacy Policy

Last Updated: 08/05/2017

Welcome to the Yugo Technologies Website (www.RideYugo.com).

At Yugo Technologies ("Yugo"), we offer certain tools for creating and finding carpool postings using Yugo (<https://RideYugo.com>) as well as the sale of other related services and products. We provide services to you subject to the following Privacy Policy (the "Privacy Policy").

Please read these terms carefully. These terms, as modified or amended from time to time, are a binding contract between Yugo Technologies ("we" and/or "us", etc) and you ("you").

You may only use the website(s) operated by Yugo Technologies if you first accept this Privacy Policy.

WHAT THIS PRIVACY POLICY COVERS

This policy covers how Yugo Technologies treats personal information that is collected or received through the services we provide. Personal information is information about you that is personally identifiable like your name, address, email address, or phone number, and any information that is not otherwise publicly available.

This policy does not apply to the practices of companies that we do not own or control, or to people that we do not employ or manage. Companies such as our Internet access and website and email hosting company, Yugo, Facebook, and others have their own privacy statements which can be viewed on their respective websites.

INFORMATION COLLECTION AND USE

Yugo Technologies collects personal information when you contract with us to use or purchase our services. When you contract with us for a particular service, we will ask you to provide us with your name, email address, and a contact phone number, affiliated educational institution, and current location.

The Yugo Technologies website automatically receives and records information on our server logs from your browser, including your IP address, type of browser used, and the page you requested. The information from the server logs is used for general website administration and optimization and is NOT matched or otherwise correlated to individual users.

Yugo Technologies uses the information that is collected for the following general purposes: to provide updates to you regarding products and services, to fulfill your

requests for products and services, improve products and services, contact you, conduct research, and to optimize and improve the website.

EMAILS

We will occasionally send e-mails and text messages (SMS) to you. This is required for certain uses of the Website such as user registration and use of the Website. We may also send information to you regarding your account activity and purchases as well as updates about our products and promotional offers. You may elect to opt-out of receiving promotional emails at any time after registering by e-mailing braden@RideYugo.com and including your name, address, email address, and what emails you do not want to receive.

CHILDREN

Yugo Technologies does not design any part of its website to attract anyone under age 18. Yugo Technologies will not knowingly contact children under age 18 without a parent's permission. Yugo Technologies does not knowingly ask a child under age 18 for any personal information.

INFORMATION SHARING AND DISCLOSURE

Yugo Technologies does not rent, sell or share personal information about you with other people or companies except under the following circumstances:

- We provide shipping information to our shippers so that they may deliver products to you.
- We respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims.
- We share information with law enforcement agencies in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, suspected copyright infringement, situations involving potential threats to the physical safety of any person, or as otherwise required by law.

CONFIDENTIALITY AND SECURITY

We limit access to personal information about you to only those we believe reasonably need to come into contact with that information to provide our products or services to you. We have physical, electronic, and procedural safeguards to protect personal information about you.

COOKIES

We may use technologies such as cookies to collect information about the pages viewed by you, the links clicked by you and other actions taken by you on our website and services. Additionally, we collect certain standard information that your browser sends to every website visited by you, such as your IP address, browser type and language, access times and referring website addresses.

CHANGES TO THIS PRIVACY POLICY

This policy will be changed from time to time to adapt to the changing needs of the society and the law. We will notify you about significant changes in the way we treat personal information by amending this Privacy Policy on the website.
